

| EXPLODED<br>DIAGRAM REF<br>STATIC | FIXTURE                  | PART NUMBER    | DESCRIPTION   | URL STATIC  |
|-----------------------------------|--------------------------|----------------|---|---|
| 1                                 | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0372    | top housing (BOM#1)                                   |   |
| 2                                 | ONAIRFLEXDRIVE2/09081918 | PTGLJ426       | terminal block LEDG-3.81-3P(BOM#2)                    | <a href="https://chauvetvip.com/products/PTGLJ426_TERMINAL-BLOCK">https://chauvetvip.com/products/PTGLJ426_TERMINAL-BLOCK</a>   |
| 3                                 | ONAIRFLEXDRIVE2/09081918 | PTGLJ489       | terminal block KF2EDGK-5.08-5P(BOM#3)                 |   |
| 4                                 | ONAIRFLEXDRIVE2/09081918 | PTGCPXLBQT0184 | MASTER PCB (BOM#4)                                    |   |
| 5                                 | ONAIRFLEXDRIVE2/09081918 | PTGL078        | PSU VUP400F24A-B(24V/16.67A) (BOM#5)                  | <a href="https://chauvetvip.com/products/PTGL078_switch-POWER-SUPPLY-VUP400F24A-B(24V-16-d-67A)(with-MET-Labora">https://chauvetvip.com/products/PTGL078_switch-POWER-SUPPLY-VUP400F24A-B(24V-16-d-67A)(with-MET-Labora</a> |
| 6                                 | ONAIRFLEXDRIVE2/09081918 | PTGQTLS040     | screw M4*Φ5*2 (BOM#6)                                 |   |
| 7                                 | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0371    | connecting plates (BOM#7)                             |   |
| 8                                 | ONAIRFLEXDRIVE2/09081918 | PTGFJ059       | 4020 fan RUNDA RS4020B24L (BOM#8)                     |   |
| 9                                 | ONAIRFLEXDRIVE2/09081918 | PTGCPXLBQT0186 | indicator PCB (BOM#9)                                 |   |
| 10                                | ONAIRFLEXDRIVE2/09081918 | PTGK109        | switch button (BOM#10)                                |   |
| 11                                | ONAIRFLEXDRIVE2/09081918 | PTGQTWJ076     | AL rotary knob black R25 φ6 H15.5mm (BOM#11)          | <a href="https://chauvetvip.com/products/PTGQTWJ076_AL-rotary-knob-black-R25-f6-H15-d-5mm">https://chauvetvip.com/products/PTGQTWJ076_AL-rotary-knob-black-R25-f6-H15-d-5mm</a>   |
| 12                                | ONAIRFLEXDRIVE2/09081918 | PTGCPXLBQT0185 | display PCB (BOM#12)                                  |   |
| 13                                | ONAIRFLEXDRIVE2/09081918 | PTGYJBL036     | plexiglass 34*19*2 (BOM#13)                           |   |
| 14                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0366    | front panel (BOM#14)                                  |   |
| 15                                | ONAIRFLEXDRIVE2/09081918 | PTGK116        | power switch MR5-110-R5N-BBW (BOM#15)                 |   |
| 16                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0367    | air director (BOM#16)                                 |   |
| 17                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0370    | bottom case (BOM#17)                                  |   |
| 18                                | ONAIRFLEXDRIVE2/09081918 | PTGBCPBXZ0013  | fuse and holder FH-B12 (BOM#18)                       |   |
| 19                                | ONAIRFLEXDRIVE2/09081918 | PTGLJ452       | PowerCON TRUE1 input-output Seetronic SAC3PX (BOM#19) |   |
| 20                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0308    | fixed plate for PowerCON TRUE1 (BOM#20)               |   |
| 21                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0373    | rear panel (BOM#21)                                   |   |
| 22                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0368    | sides fixed plates (BOM#22)                           |   |
| 23                                | ONAIRFLEXDRIVE2/09081918 | PTGWJQT0369    | half-U housing (BOM#23)                               |   |
| 24                                | ONAIRFLEXDRIVE2/09081918 | PTGDYXMS015    | power cable 3*16AWG*L1.6/PowerCon TURE (BOM#24)       |   |
| 25                                | ONAIRFLEXDRIVE2/09081918 | PTGXLBQDKT0139 | encoder PCB (BOM#25)                                  | <a href="https://chauvetvip.com/products/PTGXLBQDKT0139_encoder-PCB">https://chauvetvip.com/products/PTGXLBQDKT0139_encoder-PCB</a>   |
| N/A                               | ONAIRFLEXDRIVE2/09081918 | PTGSJG015      | MOS tube FDD8880                                      |   |
|                                   |                          |                |   |   |
|                                   |                          |                |   |   |
|                                   |                          |                |   |   |
